

I have decided to follow Jesus... Audience Response

With respect to the workers of watandar.com and gandum.com,

With joy and happiness I would like to let you all know that after nearly one year spending on your websites researching, I have come to the shore of salvation and I am saved. This happened on the 2nd of February 2006 and this is my hearts call that I will follow the school of Christ as a believer in Him. Because God has directed my feet to the right path I praise Him. Because now I will praise God with my other Christian brothers and sisters I am blessed and I have peace with God. I also would like to thank you for guiding me all this time to understand the Truth. I so much appreciate this. I would like to send you my testimony, for publishing. Please consider me from now on as your fellow worker. With respect to you, Ali Ta..... Dear workers of www.masih.tv, Please accept my respect! I and my family watch your TV shows and we like it. But we can not always download because it is costly here now. Do you have the frequency of your tv on Satellite? Which channel it is on? I have been searching for it but can not find it. My special respect to Mr. Hussain Andaryas Khan. I have learned a lot from this tv show.

And there is a lot, lot, lot more emails we received this month. Positive, negative, and argue. Please pray for our wonderful team in Holland, UK, US, etc. who are responding daily to these emails. They always need your prayers. I have been responding to some emails but they do a lot. It is their ministry.

We are now believers in Jesus Christ

We find all the time new believers in Jesus Christ who are Afghans around the world and God is in action among the Afghans and He is building His Church (not the building) yes His real Church built on Jesus Christ. Matt. 16:13-18. One family that wrote to us of their decision to follow Christ was from the country of Norway this month. Please pray for them. The head of the family's name starts with "W" We don't want to give the full name if someone tells us not to.

This email is one of the 3 email I just received while writing this news letter in the past two hours and thought of adding this one at least: (This person does not want his name to be revealed but I have given you the IP to know where he is writing)

can you help people who wants to know more about Jesus and does are interested but still in Afghanistan or iran or pakistan india how can you guys help them or is there any other company or center for help?
(Does not want to give his name but his IP address is: 61.16.221.169 and date Wednesday, 15. February 2006

Traveling to Los Angeles for the "Celebration of Joy" ... I have been traveling for last one month and please pray for me. After writing this news letter I will travel to Memphis where in a town of Mississippi I will share and coming back I will share with a Youth group here at home. **From 10th to 14th of March** I will be in Los Angeles meeting with the Afghan Christians. Last year we had a wonderful conference in Tennessee where Afghan Christians from around the World came and it was such a blessing that I have ever experienced. Well, we are going to have the same blessing this year and going to Los Angeles would be a preparation for this years CCA/Celebration of Joy conference 2006. Note the dates 26th—29th of July and come and be blessed. You can watch some of the highlights of last year's blessings and hear testimonies by going to:

www.AfghanPage.com (capitals don't matter)

Prayer Focus:

This month I want to ask you to please focus on praying for our TV programs. As you read one of the emails, there is a real need for this. I have received many emails like this one and they are just thirsty to hear God's word. Unfortunately still there is no sponsorship for our TV programs to go on air through the Satellite channels while over 700 channels give nothing to them but worldly things. They need to hear in their own language the gospel.

Precious is in the sight of the Lord...

Editorial...

One of the most beautiful chapters that I find in the Holy Bible is the 17th chapter of the Gospel of John. And one of the most beautiful passages that I always recite is also found in the same chapter; "Father, I want those You have given Me to be with Me where I Am, and to see My glory... verse 24 a.

Jesus does not want us to be in the world but to be with Him and behold His glory. And yet in verse 15a, He says; "My prayer is not that You take them out of the world ..."

He does not want us to be in this world is because He wants us to be as soon as possible in the Glory Land and He wants us still to remain in this world is because He wants the whole world to have an opportunity to hear His Good News of Salvation.

These were the two godly qualities of a friend we will miss so much, **Charles Morris the servant of the Lord!** I will miss your hands on my shoulder every time you hugged me and encouraged me. I will miss sitting with you again at Dixie's soul food and I will miss you for your passion for Jesus Christ and for His message to reach millions.

In the sweet by and by
we shall meet on that beautiful shore...

Our payers are with the family of Grand Charlie, his beautiful wife Audrey, their wonderful children and grand children. We love you so much and thank you for your wonderful partnership to glorify Jesus Christ among the Afghans and specially among the Hazaras of Afghanistan.

Two of the featured emails that we received this month were from Kabul and from Norway. In Norway a family shared that they have decided to follow Jesus Christ and from Kabul we have received the following email: (Transliterated from Dari)

All we do is praise the Lord for these kinds of emails. This month as a whole has been an encouraging month. Not only the above two emails were positive, there are many that we have received and our team in Holland is responding to them.

I can say for one thing; this is the Lord's doing and it marvelous to us!

Radio and video programs

10 years of Hazaragi Gospel Radio — Praise the Lord!

The studies of the Romans is over and now we have started the gospel of John and also next month God willing we will start a new series which has been recorded by believers inside Afghanistan. This is a sure answer to prayers. For 10 years there was almost only one voice and now God is adding more. Let us rejoice and pray that God will raise more Hazara believers who will do the future radio programming.

We also will start next month testimonies of western Christians under the title "In God they do trust" This is going to be very exiting because we have to let people know that NOT all people in the West are Christians and yet NOT all people in West are Godless! The first testimony that is going to be aired is of a Native American 7 feet tall, his journey from confusion to Christ. This brother also server the Lord among the Afghans by his financial contributions and also by practical means. He build our first radio/video studio. These testimonies also will be available in April on the web in English as it is (as they spoke) at:

www.WayTruthLife.org

If you want to share your testimony to be heard in Afghansitan, please contact us. Consider this as an opportunity to share your faith with the Afghans and the World.

Be our partner and share the "Power of God"
