NEWS UPDATE NOVEMBER 2005

I Am The Bread Of Life

Greetings to you in the name of the Lord Jesus Christ! God is confirming again and again that the time is so much ripe for the people of Afghanistan. We receive again and again emails from people who are asking: "Where can I get a BIBLE?" Some even say, where I can buy a BIBLE which is a very positive response because normally it is given as a gift to people and the Muslims as a whole. **Hunger**, yes there is a hunger for the Word of God. Some of emails we receive at first they use bad, bad language but as it is responded by our mature team of brothers and sisters who ask God's Grace and Wisdom ((James 1:5) for doing this work, the hearts of people are melted. They realize the difference.

IT IS ALL ABOUT GREEN

We have applied for GREEN CARDS and waiting an answer. This will give us more privileges such as getting our citizenship etc. that will help me personally to travel more freely. With this came a two months of filling forms, blood tests, x-rays, daily doctor visits and a lot, lot more. During this, the doctors found that I have some heart enlargement and other problems that I had to solve before successfully could submit all documents for the Green Card. After a CT, they found that I am healthy and as my friend Dr. Thomas said: **"The heart enlargement is due to concern for the Kingdom of God!"** Now that's really cool! **What a privilege to serve our King!**

Radio Ministry Very soon God willing we are going to produce radio programs that will have testimonies of western brothers and sisters and after watching a TV show tonight the Lord gave me a Topic too; **"They Do Trust In God!"** A lot of people in the East think that, what left of Christianity is just -

- Hollywood. These programs will focus on the "Salvation through Jesus Christ is a gift of God for all people group (Roman 1:16,17) and that anyone can trust in Jesus Christ for his/her name to be written in the book of life. John 3:16 Rev.20: 12-15."

The Afghan Christian Television - Voice of Christ

God willing very soon I am going to start the Gospel of

John through our TV programs. I took this decision after a long Months of prayers. I would like to request you through this News Letter to please pray for God's Grace and Wisdom for His servant. I always tell my children that it is NOT an easy thing to sit behind the microphone and preach. It involves a great responsibility and the "daily study" of God's word. The Gospel of John is an extremely important gospel because it presents our dear Lord as LORD our God. It will be a good study for both the Afghan Christians and non-Christians. The first of these programs will start in this mid-November. I am praying for the day to broadcast these programs VIA Satellite into Afghanistan. God willing and Amen.

Rachel our Daughter (Pictured up) became 10 years old. Can't believe how soon they grow. Nathan became 8 and was Baptized. Praise the Lord! You can watch His baptism and 3 New songs by Rachel at: www.AfghanKids.com

We would like to praise the Lord for you who pray and support us in God's work through our little family. We appreciate this so much. Please continue to pray for our team (responding emails) and the work Of God in the hearts of the Afghans. In Christ, Hussain Andaryas.
