NEWS UPDATE SEPTEMBER 2005

Celebration

Praise the Lord for a wonderful Afghan Celebration at CCA!

Please continue to pray for the work of the Lord in Afghanistan, for the safety of workers and for the needs to carry on this work.

A Great Afghan Christian Celebration

This is of LORD; it is wonderful in our eyes.

Psalm 118:23

There are few things that you think about over and over again. Just like me I know there are many who came to the CCA conference this year the situation is the same. It was one of the most wonderful things that happened to me personally in growing Spiritually in the Lord.

In short, we went to a wonderful conference in Germantown, Tennessee.

I have never seen Afghans with so much of encouragements before. It was a time of celebration and a time of fellowship and a time of worship and a time of prayers and hugs and kisses and a time to be so much free and rejoicing in the Lord!

I know by now you must be thinking, "hmmmm... I think I missed something special!"

Just for your sake, I have put few short footages of the conference online. Some faces in the video are blurred for their security but you still can enjoy a lot, lot, lot from them.

Specially look into the file called "Testimonies at CCA".

In the next few Months God willing I am going to produce weekly TV programs for the Afghan about these testimonies and I know that people will be blessed.

Have you ever heard Mature Afghan Christians speak about how God saved them? Yes, this was one after the other and other and other. And it was such a blessing. Tears of Joy and Praises to our God and lifting of hands and making a joyful noise unto the Lord was so visible and uncontrollable.

Ok, by now you must be thinking, "come on, where are the clips?" Here we go:

www.Masih.tv

The main file is exactly 10 minutes with four or 5 testimonies two in English and the rest in Dari but with English subtitles very clearly standing out.

If you know of any Afghans, I would like to encourage you to please let them know about the address above too. This is because we will be putting some great Afghan testimonies in Dari language in there in the weeks to come.

Radio Ministry

I have been behind my normal schedule on recording New radio programs but God willing starting next week I will star again. I am still in the letter to Romans and enjoy the studying God's word and sharing it with my people. Please pray for me.

We have a new Radio Programming ahead of us and this is the Hazaragi oral scripture that is complete with the hard work some of precious Saints inside Afghanistan. These programs will be broadcast once I have go for it. Please pray for this matter.

As usual we received a lot of emails

and some very encouraging while others negative. We praise the Lord for these emails and for those brothers and sister responding to these emails.

Here are few emails:

1- Hello, how do you explain that Jesus is God? Please answer. (California)

2- Salam (greetings) to all of you. I want to become Chris-

tian. Please guide me. (Afghanistan)

3- If I see you I will kill you. (USA)

4- Please send me a film about the life of Jesus Christ. (Europe)

And a lot more emails. Please continue to pray for our wonderful team of volunteers who are responding to these emails in Europe, USA, Canada, Australia.

What % of support we have?

Once I was asked about the percentage of support for our ministry. I was so much confused that I said, "All believers". I am still confused about the percentage thing but I know this much; You give me food and I work hard day and night! How about that? The only reason I will not be preaching is if I am dead. I know that thus far the Lord has provided and that's enough for me to know.

For more, I leave to those who have that calling. So if you are lead of the Lord to donate, now you can do that securely at:

Please write in the form called: Purpose of gift:

You can also contact from the above website to know about our financial situation if you wanted to.

Old Songs New Voice!

Our guests from Australia came to stay with us for two weeks and during this time besides many other blessings we recorded 8 Dari songs with a female voice of our dear sister from Perth. These songs will be available on CD and online listening very soon.

Family News

Schools started and so did the normal voices, "Did you do your homework?"

Rakhel is in 4th grad and Nathan is in 2nd. We praise the Lord for them. They both are Godly people. We are praying for Nathan's baptism this Month and he desired so few Months ago but I have to go with him again on this. Please pray for him.

Mary had a wonderful mission trip to St. Luis, MO with sister two other Afghan Christian ladies sharing testimonies with about 30 Afghan ladies or so. This was a unique experience for her because it was the first time she did. Praise the Lord, I heard great things about it. Let us pray for those Afghan ladies that the Lord will speak to them and that these stories will echo in their hearts again and again.

Our hearts broke of hearing many people in the south suffered because of the hurricane Katrina. Let us be in prayer for those lost loved ones and for those lost a lot. Let us pray that the Lord will be healing to the people.

Dear friends,

We thank you for your continued support of God's messages to the Afghans through Radio, TV and the Internet. We praise the Lord for your partnership and always pray for you.

God bless you,
 Hussain Andaryas.
