Holding Forth The Word Of Life; Philippians 2:16

AFGHAN CHRISTIAN MEDIA NEWS

...This is the LORD's doing; it is marvellous in our eyes...Psalm 118:23

Greetings to you in the name of the Lord Jesus Christ!

The above verse of Psalm 118 is one, always a great experience in our ministries. Psalm 118 is altogether of God's goodness and second chances. Verses one and 29 speak "Forever" that He indeed is "good" and His "mercies" do endure forever. Verses 22-26 so declares what exactly God performed. The Cornerstone of our Faith, "Amazes" us with His "doing" when He made His "day" and brought rejoicing into our hearts! Surely "God is the LORD!" (27). It is therefore let us joyfully serve Him and bless His Holy Name. These past three months God has taught us new ways to trust Him even when the most difficult things cross our paths in life.

The discourager is eager to do his cruel crafts against us but the LORD is the Victor. We as a family would like to offer our thanksgiving to you our precious partners in bringing God's good news of salvation to the people of Afghanistan. I have never done and never do more than you. You are so much part of the "amazing things" God has been doing. Let us therefore rejoice and be glad and give glory and honor to our LORD who IS God! Yours least for the Kingdom of God, Hussain Andaryas.

Afghan Christian Television Voice of Christ

This month we are celebrating one year of our first TV program broadcast into Afghanistan through satellite. We have a great partner here in our own town which helps us with recording, and air-cast of these twice weekly programs. We also have great partners in Europe, specially in Holland and UK who are responding the audience. We receive all kinds of emails, telephone calls and skype. The Lord is touching hearts and changing lives. We just finished Colossians a verse by verse study of God's word. A brother in Christ who gave recently His live to the Lord after I responded to three questions about Christianity spoke to me last week and said: *"I am watching every program and it is helping a lot to grow in my new Faith."*

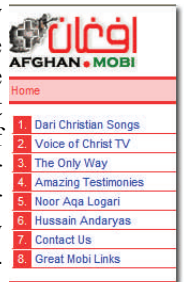

An email we received last month says: *"Mr. Hussain Andaryas, your TV programs make sense to me. I never thought so in-depth about Christianity before. I am a teacher and would like to be in contact with you and would like to learn more about the Bible."*

There are so many other emails and we praise the Lord for each of the response we get. I do not respond to an email unless the person calls me by name. It is our wonderful team in Holland which does. They always need your prayers and so do I for God to provide wisdom and understanding as God's word says; *"Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone."* Colossians 4:6.

Afghan Christian Radio: I am still in the wonderful gospel of John sharing about our Lord Jesus that He is God. This is a very important topic for our audience most of them reject both His Deity and death on the cross. Currently I am in chapter 8. God has been using these programs to draw people to His Kingdom. Please be in prayer for our listeners that they open their hearts to God's word and to Jesus Christ our Lord.

Internet Ministries: We were contacted by the Dotmobi administrators that our mobile website afghan.mobi has been chosen to be placed on the Showcase of dotmobi websites. They have about 300 websites in the showcase out of hundreds of thousands mobile websites. We praise the Lord for this. This has drawn thousands of visitors just to our mobile website. In fact, afghan.mobi is the only Christian website in their showcase. See it for yourself at: dotmobi.mobi and click on "View more great dotmobi sites and then choose from Category "information and our website is the second one. This site is in English except for the video and songs sections which are in Dari. "The Only Way" section has been written by my pastor and that is a blessing to the World-Wide mobile phone users. Iranian Quran News Agency has featured our website:

Last month and this month multiple Iranian Islamic websites including the Islamic Republic's Iranian Quran News Agency (IQNA) has featured two of our websites: Allahoakbar.com & www.AfghanSearch.com In which they have written how these websites preach Christianity in 7 languages. Wow, they have done a good research. Since their featuring of our website, the Lord has used it for crowds of people to come and visit the above websites which according to them have Radio, TV and a lot more. The numbers of visitors to our websites has almost doubled and the number of Iranians who visit our website has increased amazingly. You can find the news at:

http://www.iqna.ir/fa/news_detail.php?ProdID=139005

Do it before they take it down. Many Islamic loggers and other news groups have also featured just copying the IQNA.

PLEASE PRAY FOR US: We would like to request you to please pray for a great partner of us in the ministry for her health that God will give her complete health and do miracles in her life. Please pray for the workers in Afghanistan that our dear Lord will provide for them and protect them. Please pray for us. We are being tested at this time. I have a great faith in a great God. But I am a human and week at times. I have come through some discouragements in the past 3 months. Please pray for God's grace for my family and myself in how to deal with our situations. We so dearly love you and may our dear Lord bless you in the name of the Lord Jesus Christ. Amen.
